

## **The Magic Academy – The Box Never to be Opened**

Adam: Hello everybody, welcome to today's drama performance about the Control of Obscene and Indecent Articles Ordinance. Today we will introduce to you many information about this law, we will also look into what we can and cannot watch/read in everyday life, and also how we should choose.

We will require your participation during the performance, for example, if your friend asked you to read objectionable materials, would you read it? Would you tell your friend not to read? We will be asking you some questions in the middle and at the end of our performance, you can scan this QR code to answer the questions. If you answer the questions correctly, you may win some prizes!

Adam: Almost there.

Artemis: Where are we? Are we there?

Adam: Almost there. Wow! What a beautiful scenery! Hey! Artemis, don't be such a scaredy-cat!

Artemis: Adam, I do think we should follow the rules. The principal said leaving the campus was very dangerous.

Adam: The grown-ups always exaggerate! They have lied to me since I was little.

Artemis: Lied to you?

Adam: Yes, my mum always said to me: You'll lose your teeth if you lie.

Artemis: My mum said that to me too.

Adam: You heard it too, right. But it's not true! I lie all the time and my teeth are still here.

Artemis: The principal won't lie! Because he is Jeeves, King of Magic.

Adam: He is the King of Magic! Then, he should be able to protect us.

Artemis: Do you really know what's happened?

Adam: What is it?

Artemis: I've heard that the violent King of Destruction has resurrected!

Adam: The one who has been captured and locked for a thousand years and whom even Principal Jeeves avoids talking about?

Artemis: Yes.

Adam: The violent King of Destruction who wants to control the world?

Artemis: Yes.

Adam: The one with a really long name?

Artemis: Yes, and his targets are students of the Magic Academy, which means us.

Adam: I'm not scared of him! He has been captured and locked up for a thousand years which means he is not so powerful! He has been locked up for a thousand years and cannot escape. If I met him, I can fight him with my magic spells.

Artemis: I am so scared! Please hold my hand quickly.

Adam: Ok, I'll hold your hand. Why is your hand so cold? Who are you?

King of Destruction: Who wants to fight me?

Adam: Who are you?

King of Destruction: I am the one you said who has been captured, locked for a thousand years, who wants to control the world. Even Principal Jeeves avoids talking about, target students of the Magic Academy, King of Destruction.

Adam: His name is really long! He's really the King of Destruction!

King of Destruction: Come on kids, let's fight!

Adam: Let's talk about it.

King of Destruction: "Magical and unbeatable, super-duper violent attack" It's time to learn from the master!

Adam: Even his spell is really long!

Artemis: Adam is cursed!

King of Destruction: When you are cursed by this spell, you will become obsessed with violent materials, you'll follow suit and become very violent.

Adam: Let me read.

Artemis: Short of wits, I cannot but use my most powerful defensive magic spell "bright and beautiful, unbreakable protective cover" .

King of Destruction: How come you can break my spell? But you still cannot destroy me unless you find the Box of Violent Power with the most powerful magic in the universe.

Adam: Artemis, we have defeated the King of Destruction?

Artemis: We?

Adam: We did defeat the King of Destruction.

Artemis: Actually, just me.

Adam: I can't believe that we have defeated the King of Destruction. We should not only defeat him but also destroy him. We have to find the Box of Violent Power.

Jeeves: Who's looking for the Box of Violent Power?

Adam and Artemis: Principal!

Jeeves: You two defeated the King of Destruction?

Adam: We defeated him.

Jeeves: I don't know whether I should praise you or punish you.

Adam: Principal, I not only want to defeat him but also to wipe him out. So I have to find the Box of Violent Power with the most powerful magic in the universe.

Jeeves: That box is too dangerous to be opened.

Adam: Don't worry! Artemis will go with me.

Artemis: Me?

Jeeves: You guys can't control the box!

Artemis: Yes, so let's forget about it!

Adam: No, but...

Jeeves: Now, just give me some time to decide how to punish you.

Adam: Let's go!

Artemis: Let's not.

Adam: I'll go by myself. Sneaky, sneaky.

Jeeves: No, that's not right. Where are they? They are so naughty, should I punish them to clean up all the classrooms?

King of Destruction: Principal!

Jeeves: Who?

King of Destruction: The plan starts now!
