Don't have an account?

The image shows a sign-in interface with a light blue background. At the top, it says "Use one account for parents and children." Below that is an email input field containing "signin_test@yahoo.com". Underneath is a password input field with a redacted password "....." and a red eye icon to toggle visibility. A red rectangular box highlights the "Sign in" button. At the bottom, there are two links: "Forgot your password?" and "Don't have an account?".

輸入孩子的姓名及
出生年份

The screenshot shows the 'CREATE A CHILD PROFILE' form in the Safe Kids app. The form is titled 'CREATE A CHILD PROFILE' and is part of a 3-step process, currently on 'Step 1 of 3'. The form includes the following fields and options:

- Child's name:** A text input field with a question mark icon.
- Year of birth:** A dropdown menu with the text 'Please select...' and a question mark icon.
- Profile image:** A selection area with eight circular icons representing different children's faces. A plus sign icon is also present, indicating more options.

At the bottom of the form, there is a green 'NEXT' button. Below the form, there is a link that says 'Cancel profile creation >'. The background of the app shows a navigation bar with 'Home', 'Passwords', and 'Kids' (selected), and a 'Support' link. The footer contains 'About us', 'Contacts', and social media icons for Twitter, Facebook, LinkedIn, Instagram, and Google+.

1) 網頁過濾

The screenshot shows the Safe Kids app interface. At the top, there are navigation options: '主介面', '密碼', 'Kids' (marked with a red circle 1), and '支援'. Below this is a horizontal menu with icons for 'Summary', 'Where is my child?', 'Calls & SMS', 'Internet' (marked with a red circle 3), 'Device use', 'Applications', and 'Social ne'. A profile icon 'Abc' (marked with a red circle 2) is on the left. Below the menu, the breadcrumb path is 'Kids > Abc > Settings "Internet"'. A secondary menu shows 'Settings' (marked with a red circle 4) and 'Reports'. The main content area is titled 'Settings Internet' and includes the text: 'On this page, you can turn on or turn off web activity monitoring and define its settings.' A toggle switch for 'Web activity monitoring' (marked with a red circle 5) is shown in the 'on' position. Below the toggle is the text: 'Turn on monitoring to get statistics and define the settings for visiting websites. If monitoring is turned on, the app on mobile devices also automatically blocks malicious and phishing websites.'
